

OmnicomGroup

Diversity, Equity & Inclusion

Welcome to the Omnicom family! We're so glad to have you in our network and look forward to growing with you. At Omnicom, your growth is just as important as the growth of our business, and so we want to take a quick moment to share the different Employee Resource Groups available to you.

The Omnicom People Engagement Network (OPEN) is Omnicom's umbrella group for all of the company's network employee engagement groups and activities. These groups work to foster an inclusive and engaging work environment as well increase networking and business opportunities.

Omniwomen, founded 2014, is dedicated to promoting networking and career opportunities for, and developing the skills of, Omnicom's future female leaders. There are chapters all over the world, including New York, China, the UK and Germany, to name a few! Looking to get involved?

OPEN DisAbility was founded in 2019 as a chapter in the UK with the core objective of putting disability inclusion at the heart of all we do; for our people, our clients, and for consumers. The group has since expanded globally and works to empower those with visible and invisible disabilities throughout their entire employee life cycle, while at the same time working to create and celebrate inclusive creative outputs for our clients.
